

Kind of Note: Medical Camp Report

Organizer: Doctors on Mission Inc

Venue: Ogul-Coopil, Angaya Parish-Gulu

Date: 28th-30th March 2025

Inputs/Resources

- **Equipment:** 3 Portable Echocardiography machines, 1 Modern Vivid IQ Machine.
- **Supplies:** 10 rolls of Tissue paper, 3 bottles of ultrasound gel, 3 bottles of hand sanitizer, 1 power cable, hired generator, 6 Pens
- **Personnel:** 3 Expert Echocardiography screeners from UHI (Isaac, Agaba, Ayaa).
- **Vehicle:** 1 hired vehicle.

Activities

- Daily travel to and fro the camp.
- Screening of community members with suspected heart disease.
- Counselling persons confirmed with Heart disease.
- Documenting echo screening findings on patient medical records.
- Referring confirmed patients with heart disease to Medical officers for treatment prescription.
- Linking patients to the Gulu Cardiology Clinic and satellite clinics for further care.

Outputs

- Travel distance of 180 km covered in 3 days.
- Echocardiography screening performed on 1,160 community members.
- Screening results documented on medical forms of all patients who received a screening Echocardiogram.
- Confirmatory Echocardiogram performed on 20 patients.
- 14 Patients confirmed with heart disease (some were known cases who had defaulted treatment, others were newly diagnosed).
- 3 patients were linked to Gulu Cardiac Clinic (1 DCMP, 2 RHD) for review by a visiting cardiologist.

Challenges

- Poor roads caused delays in reaching the Venue on rainy days
- Rain interfered with screening on day 1 and 2

Summary Statistics

<i>Day/Date</i>	<i>Number screened</i>	<i>Number confirmed with heart disease</i>	<i>Category of disease</i>	<i>Actions taken</i>
<i>Day 1:</i> <i>28th/3/2025</i>	330	5	<i>HHD: 4</i> <i>RHD: 1</i>	<i>Linked to care</i>
<i>Day 2:</i> <i>29th/3/2025</i>	520	6	<i>DCMP: 1</i> <i>HHD: 4</i> <i>CHD: 1</i>	<i>Linked to Care</i>
<i>Day 3:</i> <i>30th/3/2025</i>	310	3	<i>HHD: 2</i> <i>RHD: 1</i>	<i>Linked to care</i>

Key

HHD-Hypertensive Heart Disease

RHD-Rheumatic Heart Disease

DCMP-Dilated Cardiomyopathy

Recommendations

- *Labelling of door posts/tents with stickers in subsequent camps e.g waiting area, Laboratory, Cardiology, Cancer Screening, Pharmacy etc*

Conclusion

This was an excellent experience and it was a big honor to be part of the larger team. We felt proud extending our services to the needy and the poorest. We feel the community benefited enormously from lifesaving interventions during the camp. We extend our appreciation to the organizers and sponsors of the event.
